

## **Help create a home for someone who hasn't had one in a while**

When our residents move in, we want to give them a home that is complete with everything they will need. We have completed furnishing 18 houses. We still need household items for 24 houses and furniture for 42 houses. We accept new items or gently used items. Everything will be needed and appreciated.

If you have items to donate that are not on our list, please contact us to verify we are able to accept them.

To schedule a donation time for drop-off or pickup, call us directly at (912) 217-9507
